

8EG Datasheet

► For mounting into grooves

The 8EG strip is a ultra low profile strip designed for embedded applications.

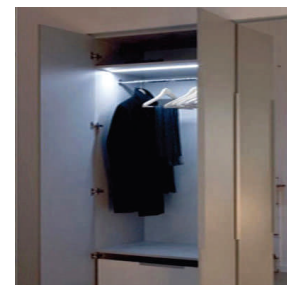

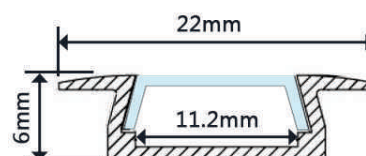

- Small size
- Simple installation, custom lengths with special connectors available
- Good thermal performance
- Ultra smooth output, no dots
- Custom colours/finished available

► Light options

PN	Brightness	Colour temp	lm/m	Input current/m
9CL1	Standard	6000K	562	0.27A
9CL2		4000K	562	0.27A
9CL3		3000K	562	0.27A
9CM1	Medium	6000K	840	0.4A
9CM2		4000K	840	0.4A
9CM3		3000K	840	0.4A
9CM4		2400K	840	0.4A
9CH1	High	6000K	1385	0.61A
